

SEVA OPENING - **INTL TRANSLATIONS MANAGER**

Jai Gurudev,

we are looking for a **replacement for the INTL TRANSLATIONS MANAGER**, effective around March 2017. This position becomes a NON SPN RESIDENT position for now, to be given to an international devotee.

SEVA DESCRIPTION

--this is a more of a project coordination task, less a direct translation task

--to be the link between SPN departments and the worldwide translator teams

--to be well connected to the teams and be ready to meet them sometimes, online via web/offline during SPN events

--to be aware and proactive about priorities, e.g. Guruji's schedule and upcoming events in the countries

SEVA REQUIREMENTS

--you are devotee of Paramahansa Vishwananda for a minimum of 3 years

--you uphold a quality standard, being aware that we represent Guruji and his mission through our seva

--preferably you have been involved in previous translations and/or BM activities in your country

--you connect well to the global BM family

--English fluent, spoken and written

--you dedicate yourself to accuracy, timeliness and completion of tasks

--you are already familiar with some Bhakti Marga books, manuals and/or Guruji's Satsang videos

--comfortable with PC, web applications and online tools

--you are resilient to pressure and maintain clarity in workflows between various people

--you are used to challenges within the scope of Guruseva

--you share the vision of a global Bhakti Marga, with proper translations reaching (new) devotees

--you should have an international rather than national mindset

--the daily workload can vary between 30 and 90 minutes. Sometimes more, sometimes less.

(It is a very flexible position and can be enjoyed only by a person who brings flexibility)

--this is a long-term NON-RESIDENT position

--it would be great if you could stay with us at SPN for some days of training (in 2017)
